Reading: *Howie Just Wanted to Have Fun!*

Howie Henderson is a college student in New York City. Last weekend he was supposed to study for an exam, but he didn't really want to study. He just wanted to have fun. On Friday night he went dancing. On Saturday morning he played tennis with his friend Keith. On Saturday afternoon his friends called, and they all had a picnic together in Central Park. On Saturday evening he went to a party at his friend Roger's apartment. He went to bed at about midnight.

On Sunday the weather was bad. It was cold and cloudy. It was a good day to study, but Howie didn't want to. Instead he went to see a movie. The title of the film was *Cloudy Monday*. Howie didn't like it at all. It was a comedy, and Howie doesn't like comedies very much.

Finally on Sunday night, Howie studied for the exam. He studied from six in the evening until two in the morning. On Monday morning Howie went to school and took the exam. He was tired, and he wasn't at all prepared. Naturally, he did very badly on the exam.

Howie was sorry he didn't study for the test. He just wanted to have fun!
